

Want to Eat More Local? Too Much Fruit on Your Tree?

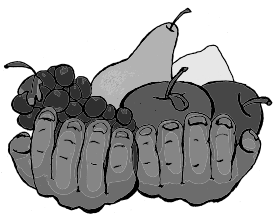

Neighborhood Fruit provides information about both **backyard bounty** and **abundance** on public lands.

The service **connects people** to share fruit, nuts and veggies from their **gardens** with their communities.

Bye-bye Waste!
No more plums rotting on the lawn. Every apple will have a home.

Hello Cornucopia!
Lemonade for the whole block. Local pies for every bake sale.

Neighborhood Fruit

'cos fruit from your 'hood is good!
